ACADEMIC COURSE TIME TABLE

- The CE exchange period is from the beginning of August to end of July (next year).
- The academic year starts around the middle of September. 1-1½ months is anticipated for the students language course, personal and administration needs.

BEFORE TRAVELING

- Apply for a Turkish visa (if necessary) - June/July.
- Bring birth certificate and transcript of records officially translated into English.
- By the end of May or early June, Gazi Univ. must be informed about names, contacts and field of study of each student.
- Students must be in touch with their CE buddies from May/June to next years July (arrival information, etc.)

WHEN ARRIVING

- CE students should arrive in Ankara at the beginning of August.
- Before traveling to Ankara please consult the following web pages for incoming students:
www.intoffice.gazi.edu.tr/llp/en/income.html, <http://www.intoffice.gazi.edu.tr/sokrates/studentguide.htm>.

BEFORE RETURNING

Request the "Transcript of Records".

ACCOMMODATION

- CE coordinator from Gazi helps with all accommodation matters.
- For accommodation information please consult www.intoffice.gazi.edu.tr/sokrates/studentguide_3.htm.

MEALS

Turkish food is regarded by most visitors as very tasty.

LANGUAGE COURSE

- Language courses are very well organized by TÖMER (Turkish Teaching Centre) of Gazi University.
- It is possible to give an introductory course (1-2 weeks, 30 hrs) at the students home university. A teacher can be send by TÖMER.
- Internet-learning by TÖMER is under construction and will be available soon.
- The intensive language course in Turkish starts early in August, and the course is mandatory (4-6 weeks, 6 hrs per day).
- After that, regular classes twice a week (4-8 hrs per week) during the semester.
- All the courses listed above are free for the CE students if the CE Secretariats in Luxembourg supports it financially. This has to be confirmed every year.
